

Image Forgery Detection in Compressed Domain

B. Tech Project Report- IT4191 (Mid- Evaluation)

Submitted by

Anoushka Patra (2020ITB014)

Aryan Raj (2020ITB012)

Rupayan Thakur Chakraborty (2020ITB028)

Under supervision of

Dr. Ruchira Naskar

Department of Information Technology
Indian Institute of Engineering Science and Technology, Shibpur

CERTIFICATE

This is to certify that the project report entitled “Image Forgery Detection in Compressed Domain” was submitted by **Anoushka Patra (2020ITB014), Aryan Raj (2020ITB012), Rupayan Thakur Chakraborty (2020ITB028)** of Department of Information Technology of Indian Institute of Engineering Science and Technology, Shibpur towards partial fulfilment of the requirements for the final year B.Tech project, is a record of bonafide work carried out by them under my supervision.

Date: 11th December, 2023

Dr. Ruchira Naskar
(Associate Professor, IT)
(Project Supervisor)

Acknowledgement

We would like to express our sincere gratitude to our project supervisor, Dr. Ruchira Naskar (Associate Professor, Department of Information Technology), for their invaluable guidance and support throughout the duration of this project.

We would also like to extend our heartfelt thanks to Mr. Debjit Das, whose assistance and insights have been immensely beneficial. His willingness to share knowledge, provide assistance, and offer valuable suggestions have greatly contributed to the success of this project.
